

REMARKS

Applicant wishes to thank the Examiner for the courtesy extended in discussing the outstanding rejection on the telephone on October 18, 2005. Based upon this discussion, claims 42 and 43 have been amended in conformity with Table 5 covering examples 1-14 inclusive.

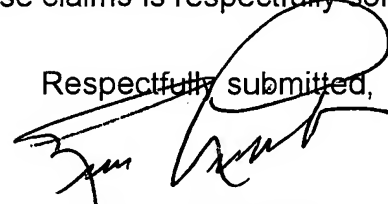

The rejection of claims 42 and 43 under 35 USC 112, first paragraph, as failing to comply with the written description requirement is respectfully traversed. As explained above, Applicant has amended claims 42 and 43 in conformity with the teaching of Table 5 covering Examples 1-14. Accordingly, the rejection of claims 42 and 43 under 35 USC 112 should now be withdrawn.

Although the amendment to claims 42 and 43 was orally approved by the Examiner during the telephone conversation indicated above, should the Examiner have any reservations, applicant suggests the Examiner telephone applicants attorney at 212-278-1307 to further discuss this to facilitate allowance of claims 42 and 43.

Claims 1, 24, 29, 30, 33-36 and 40-41 stand allowed. Claims 42 and 43 are dependent claims which have been amended to overcome the rejection under 35 USC 112, first paragraph. Accordingly, all of the claims 1, 24, 29, 30, 33-36 and 40-43 are now believed to be in condition for allowance.

Reconsideration and allowance of these claims is respectfully solicited.

Respectfully submitted,

Eugene Lieberstein
